Due to the current COVID-19 environment, attendance at the award ceremonies is optional this year.

Please make sure to inform the Awards Coordinator if you do NOT plan to participate in the award ceremonies.

Riders placing in Great American/USDF Regional Championship classes, and wanting to participate in the award ceremonies, must be present, mounted, and in full riding attire for award ceremonies (through eighth place for all Championship classes). Competitors who do not wish to participate in the victory lap may be excused.

Plan to arrive at least 15 minutes prior to your scheduled awards time for staging and ribboning.

Staging area is in the Championship warm-up arena next to Ring 2 (see facility map). Awards presentation will take place in the Ring 2. Please be aware that competitors or a representative will be required to place their ribbons on their own horses.

Welcome to the Great American Insurance Group/USDF Regional Championships 2021! Congratulations! You've achieved your goal of qualifying for this very important competition. I know that everyone is happy to get back in the show arena this year, even as we work still to put the pandemic behind us. We aren't there yet, so I repeat my 2020 cautions to be mindful about following smart best practices and conduct that will help everyone to remain healthy and safe.

I sincerely hope you will take some time this week to appreciate the many show details we can easily take for granted, but that were in short supply in 2020. Engage your fellow competitors and make some new friends in addition to cheering

on old friends. Appreciate spectators: especially those who might not be familiar with our sport and do acknowledge new faces! Welcome our youth competitors who are showing in the national levels who hope to compete in the US Dressage Finals in their own division! Thank show volunteers and try hard to carve out some time to be one for a while if you can. I hope that you ride your best tests, but if you do not get the results you hoped for, be kind to your horse, to yourself and to your village of supporters. In other words, be exemplary good sports.

Are you planning on the US Dressage Finals in November? Remember to file your declaration!

I am very grateful to have this chance to acknowledge your participation in our regional championships this year.

Best of luck!

Schooling Schedule

Schooling and lunging must take place in the designated warm-up areas designated on the facility map. Schooling in other areas is not allowed and can lead to elimination of the rider and their horses from the competition.

The arenas are open for schooling on the following days and times:

- Wednesday from 9:00 am until 7:00pm.
- Thursday from 3:00 pm until 7:00 pm.
- Friday from 5:00 pm until 7:00 pm.
- Saturday from 6:30 pm until 7:00 pm.

Note: No hand walking or schooling will be allowed in or around the competition rings prior to the start of competition each day.

Reminder: For safety reasons, all trainers and coaches must stay on the outside of the warm-up area during schooling. Please do not stand in the middle of the warm-up area.

2021 US Dressage Finals Eligibility (2020 carryover eligibility)

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Ranking in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals. **NOTE: Riders who qualified for the US Dressage Finals in 2020 are eligible to compete in the 2021 US Dressage Finals pending all requirements have been met.**

I. Qualification Based on Ranking in a Regional Championship Class:

Champion and Reserve Champion horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following three requirements are met: US Citizenship; Declaration of Intent completed by the deadline; and earning an eligible ranking in a Regional Championship class.

Note: Since Freestyle classes at Regional Championships are not split by division, the top two declared Open horse/rider combinations and the top two declared Adult Amateur horse/rider combinations for each level from each of the nine Regional Championships will be automatically invited. In addition, to be eligible for the Adult Amateur division in the Freestyles at the US Dressage Finals, competitors must check the AA box on the Regional Championship entry form and must provide proof of Adult Amateur status prior to competing in their Regional Championship classes.

A. United States Citizenship Requirement: **To compete in any US Dressage Finals class, the rider must be a US citizen.**

B. Declaration Requirement:

2021: The horse/rider combination must declare their intention to participate by completing the Declaration of Intent form by midnight on the day prior to the first day of their Regional Championship competition (including any open class day before the start of championship classes). **There is no fee to declare, but horse/rider combinations must declare at the level(s) and eligible division(s) they intend to compete in at the US Dressage Finals. Go to www.usdressagefinals.com to declare.**

(2020: The declaration window has closed)

C. Ranking in a Regional Championship Class:

Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's ranking in a Regional Championship class. Champions and Reserve Champions in eligible classes will be automatically invited, as long as they have declared by the deadline. *Note: In order to be named Champion and Reserve Champion in a Regional Championship class, a horse/rider combination must have achieved a score of 57% or higher.*

In the event that the Champion and/or Reserve Champion declines the invitation, or are ineligible to compete in the US Dressage Finals, the horse/rider combination that has the next highest ranking in the class will be eligible, providing they:

1. Are a US citizen.
2. Completed the Declaration of Intent for that particular level and division by the deadline.
3. Achieved the pre-requisite score of 57% or higher.

If that combination declines, the same process will be followed down through the fifth ranked declared horse/rider combination for that Finals level and division.

No notifications will be issued beyond the fifth ranked, of declared horse/rider combination except as may be eligible through the Wild Card invitations described below.

(Scores earned in 2020 Jr/YR regional championship classes may not be used to qualify for the 2021 US Dressage Finals)

II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship ranking (see above) may be invited to participate in a Finals class by earning a Wild Card score achieved at one of the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

1. **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen.
2. **Eligible Wild Card Score:** Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the same level and division at the US Dressage Finals.

Note: Horse/rider combinations are not required to have filed a "Declaration of Intent" in order to receive a Wild Card invitation.

III. Invitations:

2021: Invitations and notifications will be emailed to eligible/qualified horse/rider combinations immediately after each Regional Championship. There will be three categories of emails:

- 1) Invitation emails will be sent to the top two of the top five declared horse/rider combinations.
- 2) Invitation emails will be sent to combinations eligible for a Wild Card.
- 3) Notification emails will be sent to the third to fifth declared horse/rider combinations, notifying them that they are on the reserve/alternate list and reminding them to check the website for any status changes that would make them eligible for an invitation.

(2020: Invitations and notifications will be emailed to eligible/qualified horse/rider combinations during the nomination window. The nomination window will be July 1, 2021 through August 31, 2021.)

In the event that an invited horse/rider combination scratches, invitations may be issued up to the start of the competition to 2021 qualifying horse/rider combinations.

Note: Competitors do not need to receive an actual invitation to nominate themselves for the US Dressage Finals. The entry system will have their eligibility status and they can nominate prior to receiving an email invitation.

IV. Nomination Requirement:

2021: Nomination, including payment of the nomination fee, is required for participation in US Dressage Finals classes, whether qualifying through ranking in a Regional Championship class or by Wild Card Eligibility. The nomination deadline is midnight, 96 hours after the last championship day in the regional championship show in which the horse/rider combination competed. Each US Dressage Finals horse/rider combination is required to complete the nomination (preliminary entry) process including the horse/rider combinations on the reserve/alternate list. The Nomination fee paid will be applied to the total amount due at Closing Date.

(2020: Nomination, including payment of the nomination fee, is required for participation in US Dressage Finals classes, whether qualifying through ranking in a Regional Championship class or by Wild Card Eligibility. The nomination window will open July 1, 2021 through August 31, 2021.)

V. Entry Requirements

Completed entries for the US Dressage Finals, whether qualified in 2020 or 2021, must be received by the closing date, October 25, 2021 midnight Eastern Time.

Priority for all stabling requests (including stabling in Alltech Barns and for double stalls) will be based on the date of receipt of the COMPLETE online entry. Due to COVID-19 Best Practices, each online entry must include the following: full payment, fully signed 2021 US Dressage Finals entry form and signed USEF Waiver, current negative Coggins test and current Flu/Rhino Vaccine Record. All documents must be uploaded when you receive your online entry confirmation from Horseshowoffice.com, that is emailed immediately to you after you enter online. The last factor in determining stabling priority will be the allotted number of Alltech stalls available per region.

4 STEPS TO HEALTHY HOOVES

by SmartPak

Every rider has heard the saying “no hoof, no horse.” The quality of your horse’s hooves can be influenced by a number of factors, including these four key areas: regular professional maintenance, environmental management, exercise and activities, and proper nutrition.

Why hoof health matters

There’s more to your horse’s hooves than meets the eye. Your horse’s outer hoof wall surrounds, protects, and supports bones, tendons, ligaments, cartilage, nerves, and an intricate vascular network. These vascular pathways — composed of arteries, veins, and capillaries — function as a key element in maintaining the health of the foot.

Weak, unhealthy hooves can cause a variety of problems, from unsightly chips, cracks, and crumbling, to unsoundness and discomfort. But healthy hooves take a long time to grow. That’s because just like our own fingernails, the hoof wall is mostly composed of dead tissue, so it can’t mend and heal. Instead, damaged sections have to be regrown and replaced, and because your horse’s hooves grow from the hairline down at an average rate of ¼” per month, completely growing out a healthy hoof wall can take up to a year! That’s why it’s a smart choice to support healthy hooves before your horse’s hooves show signs of weakness.

1. Regular, professional maintenance

In the artificial environments we provide, horses simply can’t maintain their hooves as they would in their natural environment, and poorly maintained hooves can have far-reaching effects. A long, unbalanced hoof will negatively impact your horse’s way of going, putting undue strain on the joints, tendons, and ligaments of the entire limb. So it’s important to think of hoof care as a major part of your horse’s overall health and wellbeing — after all, it’s called “horse shoeing,” not “hoof shoeing,” for a reason!

Whether your horse is barefoot or shod, working with a knowledgeable hoof care professional is essential to maintaining healthy, well-balanced hooves. And like most things in your horse’s life, consistency is key. That’s why the first step to supporting optimal hoof health is finding a hoof care professional you trust, setting up a regular maintenance schedule, and sticking to it!

2. Environmental management

Your horse’s hoof is equipped to manage natural, gradual fluctuations in moisture. However, between the barn, the pasture, the ring, and the trails, you’d be surprised at how many times your horse’s hooves go from wet to dry and dry to wet every day. Unfortunately, frequent shifts from one environment to the other can cause the hoof wall to rapidly expand and contract, which may lead to cracks and other structural problems.

In order to help your horse put his best foot forward, try to limit changes in moisture level as much as possible. For additional support, try a topical that actually helps stabilize moisture levels in the hoof, like a hoof hardener or a hoof gel instead of turning to a standard hoof moisturizer.

3. Exercise and Activity

You probably know that turnout and exercise have many benefits for your horse, but did you know that one of the benefits is supporting hoof health?

Your horse’s hoof surrounds, protects, and supports bones, tendons, ligaments, cartilage, nerves, and an intricate vascular network. These vascular pathways — composed of arteries, veins, and capillaries — function as a key element in maintaining the health of the foot. That’s because the strength of the equine foot depends on nourishment provided by good circulation. By supporting healthy circulation, you’re ensuring nutrient-rich blood is pumping throughout the foot.

But how do you support healthy circulation? That’s where exercise and activity come in! In order to promote good blood flow, the frog and the solar (bottom) surface of the foot need to be engaged — in other words, your horse needs to get moving! Research

shows horses in nature graze and move for approximately 17 hours per day, but modern horsekeeping often results in much less activity than that. Maximizing your horse’s turnout time and space is a great first step, but if time and/or space are limited — or your horse is a lazy pasture puff — consider looking for opportunities to up his exercise, including lunging, hot-walking, trail riding, etc.

4. Proper nutrition

Nutrition is another area of hoof health that can’t be ignored. Proper nutrition plays a vital role in helping your horse maintain healthy, resilient hooves, which is why daily support from a supplement is a smart way to support healthy hooves all year long.

Biotin is vital to the growth of strong, healthy hooves due to its role in collagen formation. Research has shown that supplementing with 10–30 mg of biotin per day may help promote growth rate and integrity in poor quality hooves. In addition to biotin, look for supplements that provide the amino acids critical to hoof health. Lysine, methionine, and threonine — which play a vital role in the formation of hoof structures — are essential amino acids, meaning that your horse can’t make them on his own and needs to get them from his diet.

Minerals like copper and zinc have also been shown to support healthy hoof growth and help keep hooves strong. Lastly, remember how in step 3 we talked about the importance of healthy circulation? Well, you can support circulation from the inside, too! Look for a supplement that has ingredients to support blood flow and vascularity, like the amino acid arginine and the B vitamin niacinamide.

Give your horse the solid foundation he deserves

Now that you know four ways that you can help support your horse’s hoof health, take time to protect and maintain them, rather than waiting until there is a problem later. SmartPak offers resources and tips with additional ways to support your horse’s feet at www.SmartPak.com

2022 Great American Insurance Group/USDF Regional Dressage Championships

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and recognized by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year. The Regional Championship Program Rules can be found on the USDF website at www.usdf.org. Please refer to the 2022 USDF Member Guide for the comprehensive list of rules and requirements for this program.

Membership/Registration Requirements for Qualifying and Championships

All memberships and registrations/recordings must be correct and current at the time qualifying scores are earned and at the time of the championships.

Rider:

- Must have a USDF Participating* Membership (PM).
- Must have a USEF membership (Active or Life).

Horse:

- Must have a USDF Lifetime Horse Registration (LHR).
- Must have a USEF (Annual or Lifetime) Horse Recording.
- USDF horse registration and USEF horse recording must be in the name(s) of the current owner(s) or lessee(s).

A horse is not required to have breed registry papers.
