Welcome to the 2023 Great American Insurance Group/USDF Regional Championships! Congratulations on qualifying for this very important competition. Whether this is your first time qualifying or you have competed in a number of Regional Championships before you can be proud of your accomplishment.

Thanks to the continuous support of the Great American Insurance Group, the Great American/USDF Regional Championships have become an institution serving Adult Amateurs, Open and Junior/Young Riders. They can be part of the bigger goal of earning an invitation to the

US Dressage Finals presented by Adequan or just as importantly they can be a stand-alone goal. Either way your participation is valued and appreciated.

Putting on a Regional Championships can be a major undertaking and requires a number of volunteers. Please be kind to them and remember to thank them for giving their time. If you are planning on the US Dressage Finals in November please remember to file your declaration!

Good luck to everyone and I hope that you find the Regional Championships to be an enjoyable experience.

Thank you to our show managers, staff, volunteers and sponsors, who are all part of the small village who make this show possible. Finally a big pat and a treat for our wonderful horses, for they are the ones who got us here!

## Schooling Schedule

Schooling and lunging must take place in the designated areas marked on the facility map. Schooling in other areas is not allowed and can lead to the elimination of a rider and their horses from the competition.

If you are not in competition on a certain day, we ask that you wait to school until the end of the day to keep the congestion down in the schooling areas. You may be asked to leave the schooling areas until the end of the day if there is too much congestion and you are not showing on that day.

Competition rings are open for schooling on Wednesday from 8:00 am to 6:00 pm.

**After the start of the competition, the competition rings are open for schooling after the last scheduled ride of the day until 6:00pm.** This will also allow the grounds crew the opportunity to prepare the footing in the competition rings for the next day.

**No hand walking or schooling will be permitted in the competition rings prior to the show start each morning.**

**Reminder:** For safety reasons, all trainers and coaches must stay on the outside of the warm-up area during schooling. Please do not stand in the middle of the warm-up area.

## USDF US Dressage Finals Eligibility

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Ranking in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

### I. Qualification Based on Ranking in a Regional Championship Class:

**Champion and Reserve Champion horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following three requirements are met: US Citizenship; Declaration of Intent completed by the deadline; and earning an eligible ranking in a Regional Championship class.**

*Note: Beginning in 2023, Freestyle classes at Regional Championships will have two different classes per level, Open/Junior/Young Rider and Adult Amateur. The top two declared horse/rider combinations from the Open/Jr/YR Freestyle class and the top two declared Adult Amateur horse/rider combinations from the AA Freestyle class for each level from each of the nine Regional Championships will be automatically invited.*

*To be eligible for the Adult Amateur division in the Freestyles at the US Dressage Finals, competitors must check the AA box on the Regional Championship entry form and must provide proof of Adult Amateur status prior to competing in their Regional Championship classes.*

- 1) United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) Declaration Requirement: The horse/rider combination must declare their intention to participate by completing the Declaration of Intent form by midnight on the day prior to the first day of their Regional Championship competition (including any open class day before the start of championship classes). **There is no fee to declare, but horse/rider combinations must declare at the level(s) and eligible division(s) they intend to compete in at the US Dressage Finals. Go to [www.usdressagefinals.com](http://www.usdressagefinals.com) to declare.**
- 3) Ranking in a Regional Championship Class: Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's ranking in a Regional Championship class. Champions and Reserve Champions in eligible classes will be automatically invited, as long as they have declared by the deadline. *Note: In order to be named Champion and Reserve Champion in a Regional Championship class, a horse/rider combination must have achieved a score of 57% or higher.*

In the event that the Champion and/or Reserve Champion declines the invitation, or are ineligible to compete in the US Dressage Finals, the horse/rider combination that has the next highest ranking in the class will be eligible, providing they:

1. Are a US citizen.
2. Completed the Declaration of Intent for that particular level and division by the deadline.
3. Achieved the pre-requisite score of 57% or higher.

If that combination declines, the same process will be followed down through the fifth ranked declared horse/rider combination for that Finals level and division.

No notifications will be issued beyond the fifth ranked, of declared horse/rider combination except as may be eligible through the Wild Card invitations described below.

## II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship ranking (see above) may be invited to participate in a Finals class by earning a Wild Card score achieved at one of the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

- 1) United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) Eligible Wild Card Score: Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the same level and division at the US Dressage Finals.

*Note: Horse/rider combinations are not required to have filed a "Declaration of Intent" in order to receive a Wild Card invitation.*

## III. Invitations:

Invitations and notifications will be emailed to eligible/qualified horse/rider combinations immediately after each Regional Championship. There will be three categories of emails:

- 1) Invitation emails will be sent to the top two of the top five declared horse/rider combinations.
- 2) Invitation emails will be sent to combinations eligible for a Wild Card.
- 3) Notification emails will be sent to the third to fifth declared horse/rider combinations, notifying them that they are on the reserve/alternate list and reminding them to check the website for any status changes that would make them eligible for an invitation.

In the event that an invited horse/rider combination scratches, invitations may be issued up to the start of the competition.

*Note: Competitors do not need to receive an actual invitation to nominate themselves for the US Dressage Finals. The entry system will have their eligibility status and they can nominate prior to receiving an email invitation.*

## IV. Nomination Requirement:

Nomination, including payment of the nomination fee, is required for participation in US Dressage Finals classes, whether qualifying through ranking in a Regional Championship class or by Wild Card Eligibility. The nomination deadline is midnight, 96 hours after the last championship day in the regional championship show in which the horse/rider combination competed. Each US Dressage Finals horse/rider combination is required to complete the nomination (preliminary entry) process including the horse/rider combinations on the reserve/alternate list. The Nomination fee paid will be applied to the total amount due at Closing Date.

V. Entry Requirements

Completed entries for the US Dressage Finals *must be received* by the closing date, **October 16, 2023 midnight Eastern Time**. Priority for all stabling requests (including stabling in Alltech Barns and for double stalls) will be based on the date of receipt of the COMPLETE online entry. Each online entry must include the following: full payment, fully signed 2023 US Dressage Finals entry form and signed USEF Waiver, current negative Coggins test and current Flu/Rhino Vaccine Record. All documents must be uploaded when you receive your online entry confirmation from Horseshowoffice.com, that is emailed immediately to you after you enter online. The last factor in determining stabling priority will be the allotted number of Alltech stalls available per region.

# 4 STEPS TO HEALTHY HOOVES

by SmartPak

Every rider has heard the saying “no hoof, no horse.” The quality of your horse’s hooves can be influenced by a number of factors, including these four key areas: regular professional maintenance, environmental management, exercise and activities, and proper nutrition.

## Why hoof health matters

There’s more to your horse’s hooves than meets the eye. Your horse’s outer hoof wall surrounds, protects, and supports bones, tendons, ligaments, cartilage, nerves, and an intricate vascular network. These vascular pathways — composed of arteries, veins, and capillaries — function as a key element in maintaining the health of the foot.

Weak, unhealthy hooves can cause a variety of problems, from unsightly chips, cracks, and crumbling, to unsoundness and discomfort. But healthy hooves take a long time to grow. That’s because just like our own fingernails, the hoof wall is mostly composed of dead tissue, so it can’t mend and heal. Instead, damaged sections have to be regrown and replaced, and because your horse’s hooves grow from the hairline down at an average rate of ¼” per month, completely growing out a healthy hoof wall can take up to a year! That’s why it’s a smart choice to support healthy hooves before your horse’s hooves show signs of weakness.

### 1. Regular, professional maintenance

In the artificial environments we provide, horses simply can’t maintain their hooves as they would in their natural environment, and poorly maintained hooves can have far-reaching effects. A long, unbalanced hoof will negatively impact your horse’s way of going, putting undue strain on the joints, tendons, and ligaments of the entire limb. So it’s important to think of hoof care as a major part of your horse’s overall health and wellbeing — after all, it’s called “horse shoeing,” not “hoof shoeing,” for a reason!

Whether your horse is barefoot or shod, working with a knowledgeable hoof care professional is essential to maintaining healthy, well-balanced hooves. And like most things in your horse’s life, consistency is key. That’s why the first step to supporting optimal hoof health is finding a hoof care professional you trust, setting up a regular maintenance schedule, and sticking to it!

### 2. Environmental management

Your horse’s hoof is equipped to manage natural, gradual fluctuations in moisture. However, between the barn, the pasture, the ring, and the trails, you’d be surprised at how many times your horse’s hooves go from wet to dry and dry to wet every day. Unfortunately, frequent shifts from one environment to the other can cause the hoof wall to rapidly expand and contract, which may lead to cracks and other structural problems.

In order to help your horse put his best foot forward, try to limit changes in moisture level as much as possible. For additional support, try a topical that actually helps stabilize moisture levels in the hoof, like a hoof hardener or a hoof gel instead of turning to a standard hoof moisturizer.

### 3. Exercise and Activity

You probably know that turnout and exercise have many benefits for your horse, but did you know that one of the benefits is supporting hoof health?

Your horse’s hoof surrounds, protects, and supports bones, tendons, ligaments, cartilage, nerves, and an intricate vascular network. These vascular pathways — composed of arteries, veins, and capillaries — function as a key element in maintaining the health of the foot. That’s because the strength of the equine foot depends on nourishment provided by good circulation. By supporting healthy circulation, you’re ensuring nutrient-rich blood is pumping throughout the foot.

But how do you support healthy circulation? That’s where exercise and activity come in! In order to promote good blood flow, the frog and the solar (bottom) surface of the foot need to be engaged — in other words, your horse needs to get moving! Research

shows horses in nature graze and move for approximately 17 hours per day, but modern horsekeeping often results in much less activity than that. Maximizing your horse’s turnout time and space is a great first step, but if time and/or space are limited — or your horse is a lazy pasture puff — consider looking for opportunities to up his exercise, including lunging, hot-walking, trail riding, etc.

### 4. Proper nutrition

Nutrition is another area of hoof health that can’t be ignored. Proper nutrition plays a vital role in helping your horse maintain healthy, resilient hooves, which is why daily support from a supplement is a smart way to support healthy hooves all year long.

Biotin is vital to the growth of strong, healthy hooves due to its role in collagen formation. Research has shown that supplementing with 10–30 mg of biotin per day may help promote growth rate and integrity in poor quality hooves. In addition to biotin, look for supplements that provide the amino acids critical to hoof health. Lysine, methionine, and threonine — which play a vital role in the formation of hoof structures — are essential amino acids, meaning that your horse can’t make them on his own and needs to get them from his diet.

Minerals like copper and zinc have also been shown to support healthy hoof growth and help keep hooves strong. Lastly, remember how in step 3 we talked about the importance of healthy circulation? Well, you can support circulation from the inside, too! Look for a supplement that has ingredients to support blood flow and vascularity, like the amino acid arginine and the B vitamin niacinamide.

## Give your horse the solid foundation he deserves

Now that you know four ways that you can help support your horse’s hoof health, take time to protect and maintain them, rather than waiting until there is a problem later. **USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**This  
competition  
is recognized  
by USDF  
for 2023**

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

**Exceptions:**

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

**Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan<sup>®</sup>/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan<sup>®</sup>/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan<sup>®</sup>/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
